

CELEBRATING THE BEST IN BUSINESS

Region's finest are crowned at annual Signature Awards

The best businesses, entrepreneurs and leaders in the region were celebrated at the Signature Awards at the Vox Conference Centre. The School of Coding & AI was crowned Business of the Year, with Ameesha Green (Business Woman of the Year), Nitesh Somani (Entrepreneur of the Year) and Brum-E Car Chargers (Start-up of the Year). The evening included an inspiring interview with trailblazing entrepreneur Edwina Dunn OBE before guests dug deep to raise over £4,500 for local mental health charity, the Kaleidoscope Plus Group, which will help fund their ambition of reducing suicides across the West Midlands. ■
